Presidents Message

The bowls season is coming to an end with our greens closing on Monday 31st May. Our prizegiving is scheduled for 19th June and our AGM for 27th June. A big thank you to everyone for helping to make 2020/21 a memorable one. I am so proud of our bowlers who have represented us well and our social members who continue to support us so much. You all got behind the Battle of the Streets, our Wednesday Bowls3Five league and the “Bingo at the Bowler” fundraiser. Our property team of Steve Hoeft and Len Bilcich have been working hard behind the scenes and I am excited by the projects that are in the pipeline, like the proposed entranceway and covered outdoor area. Bring on the 2021/22 season!

Putting the 'Fun' in 'Fun'draising!

What an amazing night was had at 'Bingo at the Bowler'! Thank you all so much for making it great and helping us raise \$13,000! Our community fundraising target is \$20k. We want to show the trusts that the bowling club community has raised 10% towards the total project which is estimated around \$200k.

We have set up a givealittle page—<https://givealittle.co.nz/cause/give-a-little-for-our-garden-bar-and-bowls-viewing>—if every member donates just \$10 this would help immensely to this target!
